EXPERIENCE

STEM Module Creator, Riverside STEP

June 2024 - Present

- **Soft skills** - curriculum design, research analysis, collaboration
- Presented curriculum development and implementation strategies at a high level educator conference
- Assessed module effectiveness through feedback from public school educators
- Developed K-5 education modules aligned with NGSS, ELA, and Math standards
- Researched academic standards and integrated real-world problem-solving into lesson plans

Summer Camp Mentor, Riverside STEP

July 2023 - Present

- **Soft skills** - leading a team, adaptability, time-management, conflict resolution
- Counseled high school students on complex projects within a range of STEM fields
- Enhanced students' knowledge on potential STEM related jobs within the U.S military, medicine, manufacturing, public utilities, firefighting, and law enforcement

Student Worker, UCI Dining

January 2025 - June 2025

- **Soft skills** - communication, attention to detail, teamwork, efficiency
- Ensured a welcoming environment for thousands of people
- Worked closely with team members to ensure smooth and timely kitchen operations
- Efficiently served and prepared food, maintaining high standards of quality and customer service

PROJECTS

EA Forage Project

November 2024

- Coded a draft implementation in C++.
- Created a header file in Visual Studio 2022 for potential use in EA Sports.
- Expanded the "Wear and Tear" existing feature in a game by adding "emotional impact" to the embedded "physical impact".

EDUCATION

UC Irvine, Current GPA: 3.42

Expected Graduation Date: June 2028

Bachelor of Science (B.S.): Software Engineering

ADDITIONAL INFORMATION

Technical Skills:

- AutoCAD
- C++, Python, Java, MIPS, SQLite
- GitHub, VS Code, Pycharm, Microsoft 365, Figma

Languages Spoken:

- English (Native), Spanish (Beginner)

Certifications:

- Additive Manufacturing (Tooling-U SME, Issued: 05/01/23)
- Software Engineering (EA / Forage, Issued: 11/25/24)
